CamPocket Focus

Practical camera bag for digital equipment

Our CamPocket Focus is equipped with a thick, cushioned compartment to safely transport your digital equipment. The flap of the CamPocket Focus is closed with a Velcro fastening and allows for a quick retrieval of the camera. The two side flaps of the main compartment protect your digital equipment from above and prevent rain and spray water from entering the bag!
The CamPocket Focus offers lots of room in the attached front-side compartment for batteries, rechargeables, etc. The two integrated pockets can carry your memory cards.
It's for you to decide how you would like to carry your CamPocket Focus. The removable shoulder strap and the button-activated belt loop offers all options!
CamPocket Focus is made of high-quality, robust artificial leather and available in the classic color black!
